TIGER VOLLEYBALL CAMP 2019

CAMP INFORMATION

Individual Skills Camps:

We are excited to continue our "Little Tigers" Level "A" camp (10 and under). This camp is fun for kids and introduces and reviews basic individual volleyball skills. We hope this will help the youngest of players develop a love for the game and provide them with some very basic fundamentals in both volleyball and teamwork. The Level "B" camps are for ages 11 yrs - 17 yrs and is intended for both boys and girls who are looking to improve their volleyball abilities for the next level. There are 4 different weeks of camps, making it possible for more athletes to attend.

Each day will be broken up into different sessions for drills and skill instruction. Sessions will include: skills taught for passing, setting, hitting, defense, and blocking. Players will be tested and grouped by skill and experience for some team competitions and games. Players will also spend time in the classroom each day reinforcing the skills they have learned.

Junior High Tryout Camp:

This camp will provide information needed to gain an advantage in trying out for the junior high school team. We will address strategies and techniques used to help players prepare for their tryout. We have moved the camp back to better coincide with the start of school.

Setter Hitter Camp:

Our most popular camp is back again. This camp will focus on the specific skill sets associated with being a setter and or hitter. Footwork, body position and a whole bunch of repetition is the goal for this session.
